

Dry Drayton Village Hall, 6<sup>th</sup> February 2021

Health, Safety and Environment Policy

Our Policy is to:

- A. Provide a healthy and safe environment for volunteers, employees, committee members, contractors, hirers, and all users of the Village Hall facilities;
- B. Keep the Village Hall, its equipment, and grounds in a safe condition for all users;
- C. Ensure that the Village Hall meets all legal and regulatory requirements;
- D. Promote the welfare of children and vulnerable adults and protect them from harm;
- E. Take account of the Village Hall's impact on the environment and, where reasonable, improve our environmental performance, reducing waste and use of resources; and,
- F. Be a good neighbour to adjacent houses and the village generally.

All employees, committee members, contractors, hirers, and users are expected to comply with the above policy.

The appointed members of the Management Committee will undertake regular checks and risk assessments with the aim of improving the Village Hall Health, Safety and Environmental performance.
