1. FIRE

No decorations, draperies, scenery or other material liable to cause a fire hazard may be brought onto the premises without the consent of the Management Committee. The use of candles or other naked flames is prohibited.

Fire Exits are at the front and rear of the building. Access to all exits must be kept clear at all times, and exits must be kept unlocked, and lights above the emergency exits remain switched on, while the hall is in use.

Fire extinguishers are situated at exit points, together with signs pointing to the Assembly Point in the car park. There is a fire blanket in the kitchen. Do NOT prop or wedge open any of the fire doors.

The Hall is fitted with smoke detectors and audible alarms in all main areas.

If a fire occurs:

- Ensure safe evacuation to the Assembly Point in the car park;
- From a safe place, alert the Fire Services using a mobile phone

- Ensure that all members of your group then congregate in the car park.
- Only use a fire extinguisher if safe to do so, you are confident in its use, and that the extinguisher is the right type for the particular fire. Never let the fire get between the user and safe exit.

2. FIRST AID

The First Aid box and Accident Book are kept in the kitchen. All accidents must be reported on a form from the Accident Book and posted into the secure post box (in order to comply with GDPR) at the front of the building.

3. ELECTRICAL EQUIPMENT

All equipment brought in for use in the Hall must be safe and used in a safe manner.

5. ALLERGIES

The Village Hall does not prohibit the use or consumption of substances that may cause allergic reactions (e.g. nuts). It is the responsibility of the hirer to assure themselves that the hall is suitable for their specific needs and to ensure that first aid, e.g. Epipens, are available if needed.
